Dear Mr. Woods:

Your letter arrived this morning. It will await Mr. Weisberg's return home from hospital for reply.

The four packages of documents which you mailed him arrived, three on one day and the fourth one a week later. Had the post office not been able to deliver it here, it would also not have been able to return it to you since the only address was the zip code. Fortunately, it did turn up and was delivered.

I am writing only to acknowledge receipt of the packages and your letter.

Sincerely,

Lillian Weisberg
